Undergraduate Access/Key Use: Issuance Policy
Updated: July 2010

Once issued an access/key(s), you are responsible for security of the room and its contents while the room is open during the exercise for which the access/key(s) is issued. It is your responsibility to return the room to its original condition after it’s use, and to make sure it is locked when you leave. It is against Department of Music policy to loan your access/key(s) to others. You are solely responsible in returning your access/key(s) at the specified due date.

To obtain access/key(s), complete Access/Key Request Form available on the Department of Music Intranet. Leave the completed form with the Facilities Manager room 177. Access/key(s) will be ready for pickup in three business days.

• Locker and practice room access/key(s) are normally issued for the full Academic year (Fall, Winter, and Spring quarter). Exceptions would include cases where the student would complete University work and leave before the end of the Academic year. Other cases would be temporary key use to complete a specific project. For class associated issued access/key(s) are due on the Friday of tenth (10) week of the quarter issued.
• All Department of Music access/key(s) are due by the end of Spring Quarter.
• Undergraduate students may request Summer Session access to practice rooms after attaining authorization from a Music faculty member.
